Plans:

Longhorn Bingo (Kristen Mol)??we hope in charge, will be Nov 14th at 1:00 with Nov. 21st as a storm date.

Reminder that everyone should be keeping track of their own time, donations and attendance and we will get a point system to match set up accordingly.

We need someone to get us a longhorn, someone to make tickets, plot out and mark the field and get the Wi that Stanfield Propane has offered to donate to use as a prize. Discussion of more prizes will continue next week.

Cake orders will take place in November with pick up on Tuesday Nov 24th at HS. Denise is leading this fund raiser and has lists of bakers. To order or bake or help with ingredients, please contact Denise or be prepared to share this as next meeting.

Cook book recipes are due by Dec. 1st. Please remind all seniors to get a recipe turned in. More info. next week as to where to turn them in. Laura Roberts ?? we hope in charge of this one.

Dinner with Santa has been set for December 11th at the Intermediate Cafeteria. Kathy Mattila is in charge of this one and needs, a Santa suit and a Santa, someone to bring and work the camera and printer, a decorating crew, a kitchen crew, a hayride and hot chocolate crew, and a slew of seniors to run the games. Sherry and Lauren Myers are doing the frames for the photos as a center for the kids. We also need large plastic tote bags to take goodies home in and a bunch of undecorated Christmas shaped sugar cookies for kids to decorate as a center. I need to borrow all the mittens anyone has, (put names inside to get back), a couple of cane fishing poles, Styrofoam packing peanuts (we need lots of those) Games will include: Bowling, Pin the nose on Rudolph, Twister, Salsa with a Senior, Boxing, Make a frame, coloring, sew a stocking, shovel snow, make reindeer food, decorate a cookie, penguin bean bag toss, Ice fishing, and Mitten match. This is a big fund raiser like the Fall Festival and will take a lot of help but it should be a lot of fun for the seniors and the kids too. Please be thinking about how you can help.

Next meeting will be Monday October 26, 7-8 PM Hope to see you there.
