

## **8<sup>th</sup> Meeting of Project Graduation 2010**

**November 30, 2009**

15 adults and 10 students were present

### **POINT SYSTEM**

Discussion of the point system was discussed and the following guidelines were decided:

One point = one meeting or one hour of service

One point = \$20 in money collected, spent or sold (example: 4 tickets sold at \$5 each = one point earned) One point is earned for every \$20 spent on things for project graduation and one point for every \$20 in value of items or money you collect for prizes outside of the solicitation list.

One point for every cookbook sold

One point for every 5 recipes turned in that are used in the cookbook

### **COOKBOOK**

It was decided to go with the Morris Cookbook and have one black and white group photo of the seniors. We will print 500 books at a cost of \$3.95 each and sell for \$10.00. If all sell we have a profit of almost \$3,000. Kathy Hughes has volunteered to make a color photo sleeve of all individual photos turned in by seniors to be printed and sold along with each cookbook at not additional cost. Teresa Willis, Melissa Williams and Mechelle Russell have volunteered to be on the committee to help Laura Roberts with the cookbooks. Denise will schedule the group picture.

### **DINNER WITH SANTA**

We have permission to put a flyer in Tues. folders. It will be in the advocate on the 8<sup>th</sup> or 9<sup>th</sup> of Dec., PTO is also doing this so we have unexpected competition. Still need Twister games.

### **FUTURE FUNDRAISERS**

Laurie Bamburg and Kathy Hughes would like to put together a bake sale again before Christmas. We will discuss it at the next meeting.

**Current Balance = \$6081.06 we still have money in the vault that is not added to this.**

**Next meeting = December 7<sup>th</sup> at 7 PM**
