Finalized plans for Dinner with Santa this Friday night, Dec. 11th. Students will make signs and stand out at the car rider line on Friday afternoon at Primary campus to promote attendance. If you volunteered to do this, get the signs to Denise Johnson so she can get them to kids at early release on Friday. We have Santa hats for them to wear too. Flyer will go out again in this weeks Tues folder and a reminder on Friday. Everyone should be at the Intermediate cafeteria no later than 5:30 PM to be trained for their center. If you are on the set-up or decorating crew, or can help do this, please come at 3:30 PM to the Intermediate cafeteria. We still need mittens and Kodak combo pack #10 ink for printer that night.
